

REMARKS

In supplemental response to the Official Action currently outstanding with regard to the above-identified application, which Official Action the Examiner has designated as being FINAL, Applicants respectfully request that the above-identified application be amended as indicated above so as to place the same in condition for allowance, or at least in better form for Appeal, pursuant to 37 CFR 1.116.

The foregoing Amendment corrects a minor error in the phraseology of Claim 6 and entry of this Amendment after the entry of the previously filed Amendment After Final Rejection Under 37 CFR 1.116 and before reconsideration in regard to the concurrently filed Request for Continue Examination is respectfully requested.

Finally, Applicant believes that additional fees beyond those submitted herewith are not required in connection with the consideration of this supplemental response to the currently outstanding Official Action. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge and/or credit Deposit Account No. 04-1105, as necessary, for the correct payment of all fees which may be due in connection with the filing and consideration of this communication.

Respectfully submitted,

Date: January 14, 2011
